This is a great opportunity to share the GREAT news of Jesus Christ with our wonderful state. When you're out completing tasks please make sure you're wearing your colors, and if the task involves a third party explain to them who we are and what were about.

- Each chapter will be presented with a unique stuffed animal.

- To complete a task, take a picture at the location.

 - Have 2 patched chapter members in picture

 - Chapter stuffy in picture too.

- Pictures of completed tasks can be emailed to:

 - CMAEmpireRiders@gmail.com

 - Put "CMA Scavenger Hunt" in the subject line.

 - Please include chapter name, the task number, the date and who was there.

- BONUS: The more the merrier! When completing a task if you have 4 patched chapter members it counts as 2, and if you have 6 or more chapter members in the picture it counts as 3!

You can complete this hunt throughout the year. The winner will be announced at the state rally each year. Whoever completes the most tasks on the list will be the winner. In the event that there is a tie between chapters, state leadership has assigned a point value to each task based on difficulty, and that will be used as a tie breaker.

Whoever has the most points wins.

A trophy will be awarded to the winning chapter. The trophy will come back to the state rally the next year to be passed along to the next winning chapter. The trophy will be made of motorcycle bits and the winning chapter is expected to make a small addition to the trophy while its in their care.
